Saul Youdkevitch / April, 2016 / [www.livekabbalah.org](http://www.livekabbalah.org)

# **The intention behind The Creation is to share good**

**How long would it take?**

**Our world exists for 7,000 years**

**6,000 years of Tikun**

**1,000 years of Shabbat**

# Ethics of the Fathers, Ch 3

**15.** All is foreseen, and freedom of choice is granted. The world is judged with goodness, but in accordance with the amount of man's positive deeds.

16. He would also say: Everything is placed in guarantee, and a net is spread over all the living. The store is open, the storekeeper extends credit, the account-book lies open, the hand writes, and all who wish to borrow may come and borrow. The collection-officers make their rounds every day and extract payment from man, with his knowledge and without his knowledge. Their case is well founded, the judgment is a judgment of truth, and ultimately, all is prepared for the feast.
